I think that every teacher needs to be patient and kind, because every student, in my opinion, dislikes angry teachers that shout at everyone for ever everything. To approve my words, I ~~gonna~~ am going to tell you a story.

When I was in 2<sup>nd</sup> grade, our teacher got a flu, and we had another teacher. She <sup>have been</sup> ~~was~~ always shouting at us, even <sup>if</sup> ~~if~~ we weren't doing ~~something~~ <sup>something</sup> bad. Everyone said that she <sup>was a</sup> ~~is~~ bad teacher and hoped that our ill teacher <sup>would</sup> ~~will~~ be well soon. And ~~we~~ when she got back to work, everyone <sup>was</sup> ~~is~~ happy, because she was kind and ~~pat~~ patient, and even if she shouted at us, ~~we~~ <sup>we</sup> understood that it was <sup>our</sup> ~~our~~ fault.

So that's ~~wa~~ why I think that those qualities are the most important for all the teachers in every school of all the countries on the planet Earth. And if ~~the~~ <sup>teachers</sup> ~~tea~~ students don't have these qualities, than they aren't good and they're the worst people in the whole universe.
