Important qualities of a good school teacher.

There are millions₁₀ of teachers and all of them are different. Some of them are strict, some of them are kind and cheerful.₃₀

I think that the most important qualities might be₄₀ GR
The first₄₀: When the teacher makes students work hard, like my Maths₅₀ teacher. That is really important, because it would be easy for₆₀ you to take exams in the future.

The second₇₀ is kindness. The teacher is kind, so you are not afraid to answer. If there are any problems, he ~~would~~ will certainly help you. That is like my Russian teacher.₁₀₀

The third and the most important quality, as I think is joy₁₀₀. I am sure that students would definitely like a joyful teacher. So, if the students like the teacher, they will study₁₃₀ his subject attentively.

That is like my technology teacher. He is very joyful and funny. We always have fun₁₅₀ with him. And from my point of view, he is the best technology teacher ever!₁₆₀

In conclusion I would like to give you a piece of advice. Do not be angry because of₁₈₀ your teachers and their character. They want the best for you.₁₉₀

Study well and do not get angry!₂₀₀
