A good school teacher is the main factor which ^{sp.} contributes ^{gr.} in pupils education. Unfortunately nowadays not all people ^{gr.} know what are the qualities of a good teacher and why all ^{gr.} teachers ~~must~~ have them.

First of all, teachers should be ^{lc} well qualified and know their subject. If a teacher isn't good in his subject that is very bad for ^{sp.} students because they may get the wrong information and a ^{lc} mistake in the future.

Second, Teachers should have a kind heart and understand that pupils are just kids and we prefer to get information in calm and kind voice. ^{lc} Speaking about myself for instance. There was ^{gr.} a teacher in my school who often shouted on me even if I was ^{gr.} doing great on her subject. I don't know ^{lc} why she was being ^{gr.} that but I hated her and her lessons and didn't want to go to them. This is ^{lc} why being calm and have a kind heart is important for a teacher.

These are the two main factors that a school should have. If all teachers will know them they will teach better and more ^{gr.} pupils will have better ^{lc} memories about school and have better education. That is all I wanted to tell you about important qualities of a good teacher.
