It happened a few days ago. I had a great opportunity to have an excursion around my dream university<sup>19</sup> where all the prominent of people of my country studied, when they were a little bit older than me.

In fact, the university itself looked like an enormous building with an endless amount of windows and doors. Inside ~~th~~ There were a lot of people inside. I saw lots of students passing by, rushing to their classes.<sup>37</sup> I heard them talking about future events, exams and plans that they ~~have~~ <sup>had</sup>. I was so excited and it felt <sup>57</sup> like my heart would leap out of my chest. I thought that that was the best day of my life and that was the end of nothing could become better and more wonderful.

Suddenly, I saw a flame of <sup>bright</sup> red hair near the <sup>77</sup> entrance. I always liked the idea of having an unusual hair colour because it looks very extraordinary but ~~is~~ <sup>55</sup> stylish. I decided to tell ~~a~~ the girl with red hair that <sup>10</sup> she looked amazing. I came to her and I couldn't <sup>16</sup> believe my eyes. My favourite Youtube blogger was standing right in front of me! I said: "Hi! I'm a big <sup>13</sup> fan of yours. You're the smartest and ~~most~~ <sup>101</sup> hilarious YouTuber in the world! I love your vlogs about studying in this university." She smiled to me and ~~said~~ <sup>9</sup> ~~It felt like a minute but we spent half an hour~~

...talking about random stuff I told her that my goal<sup>16</sup>  
~~was to~~ <sup>was to</sup> get into that university but I ~~was~~ <sup>don't</sup> ~~say~~  
didn't believe it would work out. She didn't <sup>say</sup> any<sup>17</sup>  
banal things to me, instead, she preferred to share  
a story of her friend with me. It was a long one <sup>206</sup>  
but it inspired ~~me a lot~~ more than any motivational quote on  
the Internet, more than any Disney movie I ~~had~~  
~~had~~ ever watched and even more than an achievement  
I ~~had~~ ever had before. The story <sup>had</sup> completely <sup>213</sup>  
changed the way I looked at this world. I felt confident <sup>233</sup>

After a very long talk we said goodbyes and <sup>233</sup>  
shared our contacts. I then immediately texted a  
message to my friend who would have one of the <sup>257</sup>  
most stressful events in her life, the English olympiad  
I told her everything that had happened to me. <sup>265</sup>  
~~She was happy for me. And I told her that nothing~~  
<sup>In the end I said</sup>  
is impossible, it only depends on how much you  
work for your dreams.
