What is a good teacher like?

^{gr} How do you think, what are some important qualities of a good school teacher? ^{gr} This question ^{gr} came from my mother. And that's really ³⁰ interesting!

^{gr} I think that a teacher must know the kids' and teens' ^{gr} psychology. In ^{gr} case of kids' or teens' bad behaviour, a teacher ^{gr} has to stay calm. Teacher should not be too strict. That's the most important thing, because ^{gr} the subject is associated with a teacher. For example, nobody ^{gr} in my class likes literature, because the teacher always shouts. That's ^{gr} not normal.

^{gr} In my view, teacher ought to be original. For example, I like Geography, because the teacher ^{gr} can explain where can I use it. And he explains it ^{gr} interesting. And when we have a class we can ^{gr} also talk about politics or history. This teacher has one more important quality - he can ^{gr} defend the situation.

One of ^{gr} the coolest qualities is understanding. It's really cool when teacher ^{gr} can talk to students about Instagram, posts in Twitter or good selfies.

There are a lot of qualities. But, ^{gr} how do you think, what is a good teacher like?
