### The real-life nightmare

It was a beautiful sunny day. I was flying from France to the United States, Florida, and the plane was going to land soon.<sup>25</sup> Our route was going through the place called "The Bermuda Triangle", so I was a little scared. My friend told me, that an existence of<sup>25</sup> different monsters in this area is just a myth created by<sup>25</sup> writers of horror stories. I believed him but was still doubting it. In order to calm down I decided to read my favourite book "War and Peace" by Leo<sup>25</sup> Tolstoy. I've been reading for an hour and felt myself calmer. Suddenly I saw darkness outside the plane, so I checked my watches and it<sup>118</sup> was still an afternoon. Then I felt that something big banged in our plane and that we're falling down. Also I heard a very loud scream ~~and~~ I was scared to death. We crashed on some island and I felt unbearable pain in my head.<sup>161</sup>

<sup>sp</sup> I woke up feeling awful: my right hand was broken and I was stuck between two seats. There was nobody around. I cried for help<sup>180</sup> twice, but there was no one, who could help me. Suddenly I saw a huge black monster who looked like an enormous snake with the head of an armadillo. The monster was fighting with the other one, who looked like a big gorilla. With sharp wings on her back. I tried to get out of the seats ~~and~~ they fell apart. into small pieces. I felt myself so<sup>219</sup> scared and confused that I didn't notice how I ran in a jungle forest.<sup>20</sup> Someone grabbed my arm and I saw an American soldier: he was wearing a green uniform and a gas mask. Then I saw a team of soldiers<sup>23</sup> coming out of the trees, armed with weapons, that looked like blasters. One of them made me an injection of some white substance and I fell asleep. I woke up in a hospital and saw a person in a black suit.<sup>330</sup> He made me to write my name on a secret document and sign it to keep their secret. ~~Since then~~

In three months I finally got to Florida and I was  
so glad that the nightmare <sup>has</sup> finished. Since then I've never gone by  
a ship or a plane through the Bermuda Triangle. ~~and~~
