Recently, our school has opened a new canteen for students. Both me and my classmates were unbelievably excited to go there, so now, I would like to write a report, depicting both pros and cons of the new canteen.

First of all, we all really appreciated the atmosphere of this ~~new~~ place. The ~~at~~ choice of music playing there <sup>was</sup> ~~is~~ brilliant: classical rock and pop — something almost everyone would enjoy listening to. The minimalist interior design with colourful accents like chairs and decor elements here and there <sup>do</sup> makes this place extremely comfortable to spend time with classmates in. Friendliness of the canteen's staff <sup>was</sup> ~~is~~ something that ~~adds~~ <sup>do</sup> makes ~~the~~ <sup>this place</sup> ~~canteen~~ even nicer place to stay in. What shocked all of us the most was the size of the canteen: it <sup>was</sup> ~~is~~ huge! So I'm sure we won't have to wait for a free table or chair anymore.

What disappointed us the most was the food quality. Although the prices <sup>were</sup> ~~are~~ relatively decent, the food just <sup>did</sup> ~~doesn't~~ not taste good. The pasta <sup>was</sup> ~~is~~ soggy and overcooked, ~~all the pastry is~~ and the soup reminds <sup>ed</sup> a weird concoction and even nearly <sup>did not</sup> ~~doesn't~~ look like a real dish <sup>that</sup> ~~you~~ would <sup>be</sup> ~~is~~ served in the canteen.

To ~~summarise~~ <sup>even though</sup> up, ~~although~~ all of us were mesmerised by the atmosphere of the new canteen, the food quality ruined our ~~for~~ good impression. ~~improvin~~ To my mind, improving the menu should be the first thing the staff need to work on. I would suggest coming back to the menu the old canteen had, since ~~the~~ all the dishes tasted pretty good back then, and the price range was amazing as well. Hope my report would help you in improving the canteen.
