Museums: to Charge or not to Charge?

gr Do you like ^{to} visited museums? How often do you ^{go} go to museums? Is it interesting for you? If museums ^{become} become free will you go to them ^{more} more often? I think ^{that} that, ^{it is} it is not influence me because every time when I visit ^{different} different cities or countries I always go to ^{some} some museums or galleries to ^{to} know history or to learn new information about this place.

There are a lot of ^{different} different museums. They can be ^{big} big or small, ^{old} old or ^{modern} modern. There are a lot of ^{thematical} thematical museums such as ^{art} art museums, ^{historical} historical museums, ^{national} national museums, museum with cars and ^{so on} so on.

According to ^{my} my opinion, I think that museums should charge ^{for} for admission. Museums can use this money to ^{improve} improve furniture there, to make some exhibitions or to make the ^{collections} collections of museum bigger. Also museums can make some ^{thematical} thematical holidays for children or for adults on this money. Also museums are not as popular in the modern world as ^{other} other modern activities such as ^{cinemas} cinemas, ^{cafes} cafes, ^{computers} computers and ^{so on} so on. According to this fact, there are not ^{a lot} a lot of visitors there as for example in ^{cinemas} cinemas. So this money will help them to ^{be} be in this modern world and don't be closed ^{by} by ^{other} other modern places.

Also ^{if} if museums become free, people will not value them or people ^{start} start to visit museums ^{only} only to kill their time. But if museums charge for admission, ^{only} only people who ^{are} are interested in ^{the} the ^{them} them of this museum will go there. ^{Moreover} moreover, the ^{percent} percent of vandalism ^{can} can increase because bandats should not value ^{lot} lot of

museums' collections and also they will think that this collections as free as a museum.

In conclusion I would like to say that museums should charge for admission to ^{improve} improve their life.
