I would like to

~~The author of the "Oblomov" is well-known author in R~~

"Oblomov" is a famous book by well-known Russian author Goncharov. In my country students in 10th grade are challenged to read it. The book tells us about Oblomov Ilya, who is very lazy. He doesn't have any will or wish to live like common people, despite the fact that he is only 33 years old. But when his friend Shtolz arrives, his life changes. He even falls in love with a singer, Olga. The book shows us the real life of rich people before the revolution in 1861. It may seem that life was crucial to Oblomov, because of his childhood.

I suppose, that it will be difficult to find proper cast and deal with this people. As you might know, there is a film about Oblomov, but it does show only a part of the book. For Oblomov you should find a stout man, Shtolz is a tall, you handsome and slim man. Olga is a pretty young woman. This are the main characters. There are You should be really careful with other characters as they help to understand Oblomov better. Zahar, the servant, is a typical copy of Oblomov. Volkov, Oblomov's friend, is always busy with partying, so you should find a proper actor, who looks like everybody's friend, and don't want enemies or revenge.

As you might know, there is a Soviet film about Oblomov. Unfortunately it does show only a small part of the book. It would be wonderful to watch the film, which presents us the whole story. If you make a film about Oblomov, it will be really popular among students and classic books enjoyers. Oblomov is a great choice for filmmakers, as there won't be any issues with backgrounds. The only difficult problem is showing personal attitude towards the main character. You might think that he is a victim of his past, or you might believe that it he was only the only one to blame for such lifestyle.
