Writing

Have you ever thought why ⁹⁵do you buy fashionable clothes ²⁰ every time a new collection comes out? That's because clothes ¹⁰ have always been a nice way to express yourself, but ²⁰ they have changed so much over the last hundred years ¹⁰ that it's hard to imagine what are we going to wear in the future. But let's try to come up ³⁰ with some ideas of what clothes will people wear in ²⁰ 2122.

First of all, let's not forget about the advanced ³⁰ technology we have now. With the "internet of things" concept ³⁰ becoming real, which means we can control every piece of tech ¹⁰⁰ with our smartphones, it's likely we'll have some kind of ¹⁰ smartphone built into our clothes, which ^{may} could be used ¹⁰ to control every electronic device we have.

I'd like to ³⁰ add that clothes, in my opinion, will become more colourful ¹⁰, and will have a more abstract design. This idea ⁵⁰ may become real with the abstract modern art we have now ³⁰, which is quite popular.

log At the end I'd like to say ¹⁰ that clothes, whether they're fashionable or not, have to make ³⁰ you feel comfortable in them, and it's your choice ²⁰ to wear the most fashionable clothes or not.
