A trip to the sea side:

Have you ever wanted to spend your ~~summer~~ holidays staying at a beautiful sea side? There is a ^{good} hostel in Primorye which might perfectly suit your plans for the summer.

The hostel offers a great view of the beach. You can go swimming in the ^{sea} without taking any long walks or rides. It is very convenient and saves a lot of your time. and a small swimming pool near the hostel.

There is also a playground ^{for them}, so if you are going with your children it can be a good place to spend their time at.

Additionally, there are beautiful hills a few hundred meters away from the hostel. It is very exciting to go there, but be aware that there might be snakes in some areas and watch your step.

I had a lot of fun staying at that hostel. The only downside of staying there is that it can be quite cold ^{and windy} sometimes, because the hostel is located very close to the sea shore.

Overall, I would highly recommend everyone to go there with their friends and families and have a time of their life staying at the sea side.
