Writing

Hello,

I'm Lev and I'm glad to share my experience of learning English.

I started learning English when I was six.

My parents advice^s ^{sp} me to begin learning foreign languages. I believe learning English is important, because you can have friends around the globe, if you can speak it. That's ^{so} why I learn English.

Learning foreign languages is a pleasure for me.

The best thing* about English, however, is its ^{so} grammar.

I love the variety of grammar English offers. Some people use advanced grammar, and some are able to communicate ^{so} with almost no knowledge of the grammar.

In order to ¹⁰⁰ study English better, I use ¹¹⁰ the Internet. I'm communicating with English users, reading articles and making my own articles!

My ¹²⁰ advice to people who just've started learning English is to never give up. It's very important

in order to learn¹⁴⁰ it well. Once, I began to lose
interest in English¹⁵⁰ for couple of months. It was
really bad for me! After the long break I
could barely speak English. It's¹⁴⁰ important to learn
English ^{sp} regularly, without any long breaks. ~~Thanks~~
~~for reading my article, good luck learning English!~~

Thanks for reading my article, good luck ^{sp} in
learning English!¹⁸⁸
