sp. Learning English is an exciting activity that opens up a world of possibilities. As someone who is currently learning it, I would like to share my reasons, the enjoyable aspects of the process and offer some advice for beginners.

gr. I am learning English for many reasons. Firstly, it is important for my education and future career. Secondly, English is a wide spoken ~~English~~ in the world, so I can communicate with people from another countries.

gr. Lastly, I like exploring English litizature, music and films. it is really exciting. What I like in studying is definitely to explore something new. I feel that it makes me more clever and proud of myself.

gr. The advice I would give to beginners is to be motivated, patient and consistent. Start studying with the basic, such as learning common words and simple phrases. You should practise a lot with your friends, tutor or language partners, even if you have mistakes. You may also use online resources, like English website or magazines. to improve your grammar and vocabulary. And the most important is to be excited and interested in learning.

In conclusion, studying English helps us to communicate with people from different backgrounds, access a wealth of knowledge and broaden our horizons. Stay motivated and remember that every step forward brings you closer to fluently.
